New Web Site for ISB Customers!

Tyler, Texas – June 23, 2006 We have a new web site that is available for our i-nHANCE Small Business customers. The web address is www.inhancesb.com. The site contains useful information that is available right at your fingertips, when it is convenient for you.

You can order your standard bill forms or door hangers directly from the web site and view information on available hardware; like scanners, cash drawers, receipt printers, and ink cartridges. Be sure to check out the Downloads section and view some 'How To' videos that are available to view or download to your system.

Is it time to order bill forms again? We are offering a 5% discount on your forms order if you order your forms from our web site, www.inhancesb.com, or call us to order and give us the discount code from the Forms page on the web site.

If you have questions or need more information, please check our web site at www.inhancesb.com or call Debra at 800-259-8222, ext. 201 or speak to your support representative.
